STOCK REPORTS.

Bears Make a Combined Raid on Richmond Terminal.

The Bank Statement Causes a Decline All Round.

Union Pacific Fell Off Half a Point in the Trading.

A fierce attack on Richmond Terminal chilled the bullish ardor in the stock market at the opening, but the decline outside of Terminal was insignificant. According to published statements three of the leading companies composing the Terminal will show a deficit of \$170,000 for the year ending June 30, 1891, while their debt in the mean time has risen \$1,700,000. This report caused a break of $\frac{1}{4}$ a 14 per cent. in the securities of the Company, the common declining $\frac{1}{4}$ to 10 per cent. preferred, 14 to 26, and stock 5, 1 to 57.

Union Pacific, Louisville & Nashville and Northern Pacific preferred declined $\frac{1}{4}$ to 1 per cent., but the general market ruled firm until after the publication of the bank statement, when the entire list receded fractionally.

There was a sudden jump in pipe line certificates at the stock exchange this morning from 67 1/2 to 70. At the consolidated exchange certificates which closed at 52 last night, sprang to 70 1/2. The rally was credited to the Standard Oil interests, who were also responsible for the recent break to 50.

The banks suffered a moderate loss in both specie and legal tenders this morning, and as a result the surplus reserve is down \$1,000,000. They now hold \$18,450,750 in excess of the 25 per cent. legal reserve.
